*"For thou art my lamp, O Lord; and the Lord will lighten my darkness. For by thee I have run through a troop; by my God have I leaped over a wall. As for God, his way is perfect; the word of the Lord is tried: he is a buckler to all them that trust in him. For who is God save our God? ...Thou hast enlarged my steps under me; so that my feet did not slip. ...The Lord liveth; and blessed be my rock; and exalted be the God of the rock of my salvation." 2 Sam. 22:29-32, 37, 47*

**"Victory in Jesus, my Saviour forever!"** This song rings in our ears after reminiscing over all the activities of the three weeks spent in Kenya. To God be the Glory! Needless to say, in all ways (except maybe the bad, pothole covered roads), the trip was a great success, and we can't thank each of you enough who helped us, financially, to make this "pilgrimage" a big success. **And those of you who kept us covered in prayer, a humble "Thank You" from the bottom of our hearts.**

The Easter Day Service, spent at our dear friend's church, Dr. Parklea, was almost beyond describing – to put it in perspective, in the words of our old friend, Prof. Sang, who traveled there with me, **"John, in all my 47 years of ministering the Word here in Kenya, I have never seen the power of the Holy Spirit so strong as it was today."** And I also have to agree with Dr. Sang. **I cannot count for you the number of souls saved, unbelievable miracles, deliverance from demon possession, and lives changed before our eyes. Again, to God be the Glory!!**

With the help of my traveling companion, Benny Heath, (Missions Director of Glad Tidings AG church we are attending) who joined me a few days into my trip, **we were able to supply two pairs of shoes for each of the 18 girls in the Tailoring School in the Keiro District.** The school is doing exceptionally well with the overseeing of our Pastor in Zephyrhills, Bishop Mike Sloan. **The teacher, Jane, sends greetings to all of you who help her in keeping this school in excellent operation.**

I was able to visit the schools in Kangemi and Mbaani, spending time with Pastors Titus and Raphael. Benny Heath and I visited our old friend, Dr. Green, at the Testimony Faith Orphanage. **Benny brought medical supplies and candy with him, and several large bags were presented to Dr. Green.** The different supplies (band-aids, pain relief, etc.), according to Dr. Green, were things in great need, and he was very grateful. I was brought up-to-date of the progress of "our" orphans he took into his school a few years ago, and such success stories would make you all proud. Two examples: Festus, the oldest boy, is now married with two children, and is serving on the Police Force in Eldoret; Demarius, the young lady who was so abused, is now a teacher, and is still living on the premises.

Dr. Paul Parklea, head surgeon at a large teaching hospital in Eldoret, was my host for several days, and joined us for a few meals between activities. He is such a friend, and his help on this trip will never be forgotten. We pray blessings on him as well as his wife and family. He has a large family farm in the up-country (near Kapenguria in West Pokot where his church is), and his wife and family oversee this in his absence during work days at the Hospital and his own office.

On the third Sunday in Kenya, Benny and I ministered in the village of Flax, in the church of Pastor Douglas. Some of you have visited with us in Kenya and are familiar with this church and how the people are so receptive to the Word of God, and accept it with such great faith. **Again, we witnessed the power of God doing miracles in savings souls and performing healings in body and spirit.**

The enclosed pictures will tell a story I cannot completely put into words. **My greatest breakthrough on this trip is that God is not through with this 85 year old man yet, Halleluia!!** I am booked for a short-term missions trip to Honduras with our pastor/evangelist friend, Scott King, in June, and have plans to make another foreign missions trip with Benny Heath a few weeks after that. Glory!!

**Thank you all for your assistance in funds and prayers.** We will still need your support in helping the needy through prayer and provisions in these poor countries.

*Right: Some of you will remember – years ago, John prophesied that a young woman, who had been barren for years, would have a child within 10 months. This is the little girl born to another woman in church that day that claimed this miracle!*

*Bottom: John is preaching to the crowd about the resurrection of our Lord, emphasizing that this same resurrection spirit is within each of us. After this message, he saw 27 people come to give their hearts to the Lord. He then prayed for and ministered to the people – all Heaven broke loose with miracle healings.*

In the Master's service,

*John & Dorris*

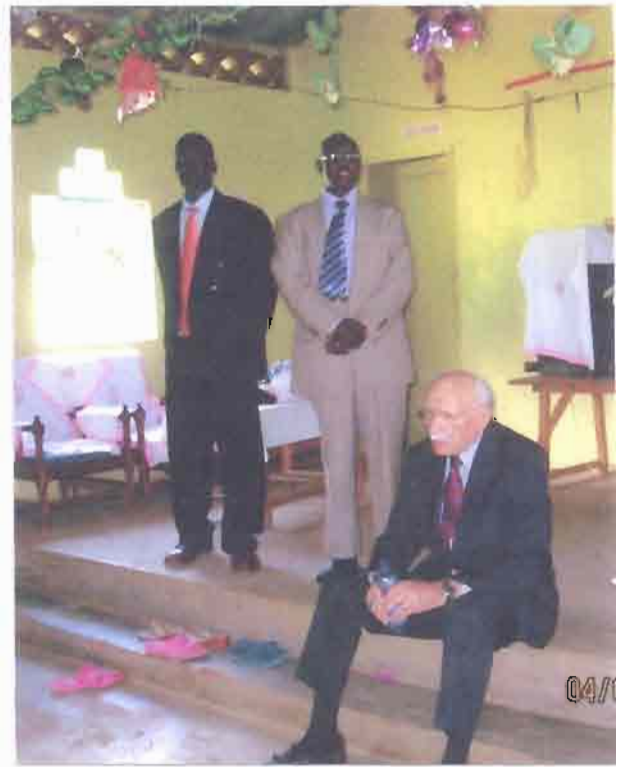

Rev. Dr. John and Dorris Wisner

*Top Left and Right:*

**TOTAL SURRENDER TO THE SPIRIT OF GOD!**

*Above left:*

*John asked this man, "Do you believe God can heal your club foot?" He said, "Yes." AND GOD DID!! Halleluia!!*

*Above Right: Man of God totally spent after ministering to so many people.*

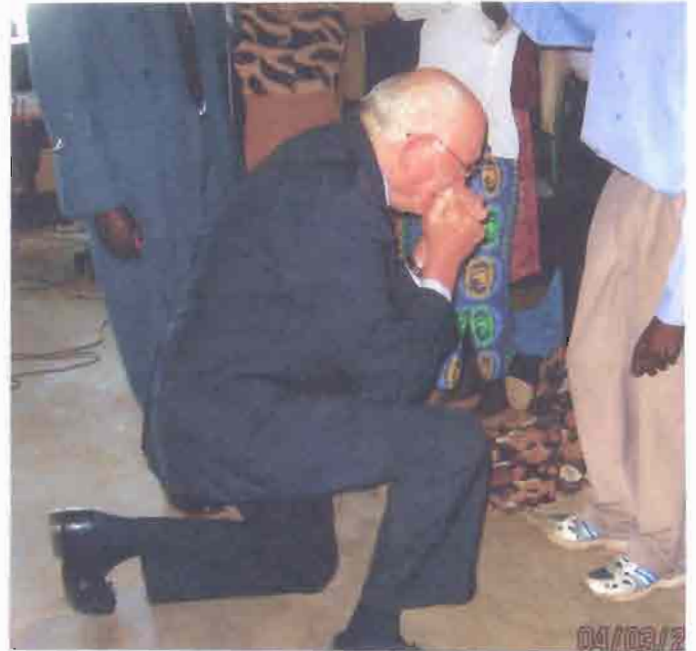

*Left: Our old friends, Prof. Francis Sang, Bishop over 44 churches, and retired Prof. of Forestry at Moi University, and wife, Pastor Mary, Pastor of Burnt Forest Church, in their home in Eldoret. John and Benny enjoyed a delicious Kenyan breakfast at their home.*

**Right:** On Easter Day at the church near Kapenguria, in West Pokot on the edge of the Turkana Desert. With John, left, Dr. Paul Parklea; right, Prof. Francis Sang. Aside from his demanding duties in the Teaching Hospital in Eldoret, Dr. Parklea and his wife, pastor this thriving church.

**Middle Row:** Left, John examines a knee that is out of joint, causing constant pain. Right, John is overcome emotionally and praising God after praying and hearing the knee pop back in place! God, "Is anything too hard for Thee?"

**Far Left:** Pastor Douglas interpreting for Benny Heath as he is preaching to the church in the village of Flax.

**Right:** Pastor Douglas joyfully introducing old friend, Dr. John, to his church. John has preached here many times in the past, and held crusades under a tent in the village.

*Left: The girls at the Keiro tailoring school who will be receiving new shoes.*

*Middle Row, Left: John with the teacher, Jane. Jane has done an exemplary job in teaching these girls and maintaining an excellent school environment, keeping the premises in very good order.*

*At left, Pastor Raphael of M.I.A. Church at Mbaana, right is Bishop Titus who oversees all the M.I.A. Churches, and he and his wife, Dorothy, pastor the church at Kangemi.*

*This little fellow followed Bro. Benny around at the Flax church, and promptly got up in his lap when he sat down. Apparently the African parents don't have to warn their children to stay away from strangers! Praise God!*

*These two pastors are all decked out in suits which John brought with him to Kenya. On the left is Pastor Edward, overseer of the Good News Christian Fellowship churches (ministry of our daughter and son-in-law, Char and Danny Raines). On the right is Pastor Zac (short for Zaccheus), of one of the GNCF churches. Char met Edward in Kenya years ago when he was just a young pastor, making ends meet by doing yard maintenance at our home in Machakos. She sent him to Bible School and today, he has a thriving ministry. Glory to God!*
